## I. WELCOME

Thank you for your willingness to serve as Adult Guest Host at Malibu this summer. It is our sincere hope that you will find this to be an opportunity for incredible ministry, community, and growth in your faith.

Being an Adult Guest at a Young Life camp is always a tremendous experience for friends of Young Life — people love it! It often changes people from just having an interest in Young Life to a real commitment to our mission. Treat it as a significant opportunity for your area to get adults to be guests at one of our Young Life camps.

**Malibu Club Camp Staff** ([Appendix](#)) are committed to the service theme and standards of Young Life camping, and are here to support you in providing for your guests.

### SERVICE THEME

We care for people by preparing a place where Christ changes lives.

### SERVICE STANDARDS

**Safety**- protecting the well-being of our guests

**Service**- anticipating and responding attentively to the needs of our guests

**Attention to Detail**- ensuring excellence in the activities and settings of our property

**Efficiency**- appropriately using our resources

## II. TRAVEL INFORMATION

There are two main modes of travel to get to Malibu, flying by float plane or driving to Egmont and boarding a boat. Below is the breakdown for both options, as well as border information for those joining us from the United States.

### THE US-CANADIAN BORDER

#### a) Stating Purpose of Travel

When crossing the border into Canada, it is very important to use the correct terminology. Give your reason for entry simply and honestly, *"I am going to Malibu as an Adult Guest."* Do not say you are "working at Malibu". "Working" has legal ramifications, and you will face almost certain delays, and possibly denied entry.

#### b) What Not to Bring Across the Border

It is best not to have any indicators for the Border Services officers so we suggest that you not bring fruits and vegetables across the border.

#### c) Directions

For maps and crossing time details, see online <http://www.wsdot.wa.gov/traffic/border/>

Note: All times can vary depending on time of week, day, etc. and departure and arrival times of boats may be different.

#### d) ID

All individuals over the age of 18 must have a valid Passport or WHTI approved document to cross the border. Please refer to the WHTI website for a list of approved documentation.

- [WHTI Accepted ID](#)

### AIR TRAVEL

All international visitors regardless of country of origin must present a Passport or secure document when entering Canada and the US by air.

If you wish to travel to Malibu by Float Plane from Seattle, you will need to book your ticket yourself with Kenmore Air directly. We have compiled a list of what they will ask you for during the booking process so that you can be prepared.

Please note, and be sure to pass on to any guests flying, that the first meal served on the day of arrival is supper. You will want to pack a lunch that can be eaten either on the plane, or picnic style upon arrival at camp.

#### Information Needed:

- Passport #
- Expiry date
- Full Name as in Passport (must have your original passport on you when on the flight – no passport cards or enhanced DLs)

- The plane leaves at 9:00am from Kenmore
- Return flight is also on the Regular scheduled route
- Be ready at 11:00 with Luggage on the dock and listening for the plane :)
- The plane leaves Malibu between 11:00am and 2:00pm depending on the number of pick ups

Feel free to reach out to Emily, or Carol, with Kenmore Air through the Reservations Line. Sometimes they have seasonal help on the phones and it can be challenging, but most of the time it is easy. I believe they are both still on staff there.

**LAND AND SEA TRAVEL**

Most people decide to drive to Egmont and travel to the Malibu Club by a Malibu organized vessel. Please arrive at the Malibu Landing 1 hour prior to their scheduled boat departure so that you have enough time to get your supplies and belongings loaded onto the boat. Please be sure to check your email as the Camp Office will send you updates in vessels and departure times. Feel free to [email the Camp Office](#) anytime to check on any changes.

**a) Directions to Egmont**

If you haven't been to Malibu before, please see the Travel to Egmont Breakdown ([Appendix](#))

for the best route and average drive time.

### **b) Overnight Accommodations**

Many people traveling to Malibu choose to do all their traveling in one long haul. This is possible, but leaves little room for delays, and can be exhausting. We encourage Hosts to travel to the Sunshine Coast the day prior to the boat departure in order to create a low stress travel experience, and the opportunity to rest well before the week. Please see Sunshine Coast Accommodation Options ([Appendix](#)) for overnight options on the Sunshine Coast.

### **c) Boat Transportation to Malibu**

Yacht Hosts, Adult Guests, Doctors, and the Doctors' families who travel to Egmont will travel to Malibu aboard a vessel assigned to them by the Camp Office. Depending on the week you are coming to Malibu you will be assigned to one of the following vessels.

- Malibu Princess – This is Malibu's flag ship. It is a 375 person passenger ferry that takes a 3 hour scenic tour up the inlet.
- Laker/Spirit of Malibu, or other Water Taxi – These are Malibu's fast transport vessels. They will travel from Egmont to Malibu in a 1 hour to 1.5 hour trip.

While aboard a vessel to Malibu we would appreciate if you could act as a Host for the Adult Guests. Use the time on the vessel to find out about your guests (note: some people may be flying in, you should have this information beforehand from the Camp Office). You will want to let the Camp Director know anything that might be helpful about your guests.

Here are some ways you can enhance the guest's experience

- It can often be an overwhelming day, with the long travel, a new energy and environment, and not knowing what to expect. Seek to provide a welcoming and encouraging experience! Bring a deck of cards to play, or gaze out the window at the beautiful scenery.
- The forward lounge on the Malibu Princess (located on the main passenger deck) is available for Adult Guests. Part way through the voyage there will be a Leaders' Meeting that takes place in this space. Please provide space for that meeting by taking the guests for a leg stretch around the boat or fresh air on the upper deck.
- When the Princess has rounded Patrick Point (final stretch about 2.5 hours after leaving the Landing), share with the guests some general things they can expect when arriving to Malibu.
  - Invite the Adult Guests to the upper deck for the welcome, but please keep many of the elements a surprise.
  - Tell them about the Welcome Tea and orientation shortly after arrival (before dinner) to connect them with those in the Adult Guest program for the week and the Camp Director.
- When engaging with guests be aware that there is a wide variety of Young Life involvement, Christian, and non-Christian backgrounds. Our goal is to be sensitive to using terminology that people would understand, be aware of using Young Life-y terms, or Christian-ese language or clichés, without elaborating the meaning for all to understand.

### **III. ADULT GUEST PROGRAM OVERVIEW**

The purpose of the Adult Guest Program at a Young Life Camp is to give Adults the opportunity to experience first-hand, the ministry of Young Life. This is an amazing way for them to witness how God can change and impact kids' lives through the ministry.

As the Host, your main objective is to be the facilitator of the group of Adult Guests during your week at Malibu. The Adult Guests in the program will operate as a cabin unit.

As their designated 'cabin leader' you will have the opportunity to do the following:

- Encourage your guests to get involved in activities, events, and programs such as Tableau, judging events, set-up, etc.

- Communicate and share the Ride Schedule for Adult Guests to take part in throughout the week.

Over the years many guests have gone back to their local areas with a new understanding of and enthusiasm for Young Life. The Adult Guest program is a tremendous tool, and support from Adult Guests has helped propel the mission of Young Life. Thank you for your willingness to take on this important role as Host.

## **IV. SERVING ADULT GUESTS AND DOCTORS**

### **PRE-MALIBU COMMUNICATION**

#### **a) Between Yacht Host/Camp Director and Yourself**

##### ***Yacht Hosts***

Malibu will be providing two Yacht Hosts that will assist you during your week. This is an important relationship, as you will work very closely with the hosts to serve the guests, including the camp doctors and their families who are there for the week.

Once at Malibu, the Yacht Hosts will be busy during the day, giving tours to boaters and other visitors. We would like your help in including the doctors in the activities that the other guests are participating in if they so desire. The Yacht Hosts will be available and willing to serve you and the guests by providing snacks, tea and coffee when Adult Teas are scheduled, as well as putting together an Adult Party for the guests and assignment team usually on Day 5 or 6 of the week.

Please phone the Yacht Hosts and get to know them before camp. They are an important part of the Adult Guest Program and are very willing to help share in your vision for the guests.

##### ***Camp Director***

Communicate with the Camp Director responsible for camp during your stay before camp begins and especially once you arrive at Malibu. You will also work closely with the Camp Director during the week. The Camp Director essentially oversees about 5 different 'camps' that are going on at the same time during a week of camp – the campers, Work Crew, Summer Staff, Adult Guests, and Assignment Team.

Communication between all those serving in leadership roles is imperative.

#### **b) Between Adult Guests and Yourself**

Prior to arrival, communicate with all the guests regularly to build a relationship with them as much as you can and get them excited about their trip to Malibu. Share the [Young Life's Malibu Club](#) website and the [Adult Guests Program](#) page prior to their trip.

We encourage you to make three interactions with Guests prior to departure.

##### ***Travel Arrangements***

Ensure that your guests have arranged transportation to and from Malibu. Please ensure that this information has been communicated with the Malibu Office several weeks prior to your trip. Remind your guests of the boat departure time from Egmont and how long the trip will last. The camp office will send travel confirmations to all guests and hosts about 10 days prior to arrival and could include departure time changes.

If you have any questions or are needing more clarity on travel information, check with the Malibu Office. \*We ask that Travel Plans be completed online. Feel free to follow or copy and paste this link to the correct form. This has also been provided to all your guests - [Travel Plans Form](#)

See *Malibu Contact Info* ([Appendix](#))

### **LIFE AT MALIBU**

#### **a) Accommodations**

The Adult Guests stay in the Harbour House which is a floating structure overlooking the Inner Harbour. There are two lounges, one located upstairs, and the second located on the main

floor.

The Adult Guest Host couple stay in Lillooet 1, unless there is a vacant room for the entire week in Harbour House, then we would move the Adult Guest Host couple down there to be closer to the guests.

Yacht Hosts stay in Sioux, which is one of the original Malibu buildings. It is just off Main Street in the centre of camp and has a spectacular view looking down the Princess Louisa Inlet.

The Physicians and their families stay on the Suivooot deck above Main Street.

There may be Property Guests that week that will join in with the Adult Guest program.

All Assignment Team and their guests stay in Kanata up on top of the hill by the Frisbee Golf course.

Property Staff stay in residences in separate housing units outside of the main part of camp.

Work Crew and Summer Staff stay in Haida across from Flag Point just outside of the main part of camp.

### **b) Schedule**

A camp schedule will be posted in the upper Harbour House Lounge and in the Suivooot Lounge and can be referenced in the Office and on Main Street for the day. Stop into the Office to pick up your name tag and schedule upon arrival. Please be sure to keep the schedule private. The element of surprise is an important part of a Young Life Camp experience so campers do not have access to schedules. Please make sure no one takes the schedule down and that guests understand the importance of not sharing scheduling items with campers.

If you lose your schedule or have an issue with your schedule, please come to the Camp Office and speak with the Summer Staff or Admin Intern as they will be able to assist you.

Meet with the Camp Director to discuss the day's schedule and any special requests. If you don't see something on the schedule, have questions, concerns, and/or suggestions talk to the Camp Director or Office.

### **c) Horn System**

Malibu uses a horn system to communicate events. See **Malibu Horn System** ([Appendix](#)) for a complete list. This is good knowledge to have, but you will not be responsible for sounding the horn.

### **d) Malibu Vocabulary**

Malibu has its own set of vernacular to refer to events and locations in camp. See **Malibu Vocabulary** ([Appendix](#)) to familiarize yourself with the terms and locations.

### **e) Camp Director**

It is key that you introduce yourself and get to know the Camp Director, even if you are not familiar with the Assignment Team. Their contact information will be sent to you before you arrive so that you can begin building contact with them.

### **f) Shopping at Camp**

Visa, Mastercard, USD Cash, and CAD Cash are all accepted at the Totem Inn (Snack Shop), Hamilton's Standard (Coffee Shop), and the Totem Trader (Clothing and Gift Shop). Please note there are *very few* ATM past Sechelt on the Sunshine Coast, and *no* ATM's at Malibu.

## **UPON ARRIVAL**

As you are nearing the dock you can let the guests know that you will all go together to gather the luggage. All luggage will be unloaded onto the Inner Deck, in front of Big Squawka in main camp. You and your guests may take your things to your housing, and if someone needs assistance with their luggage, please inform the Office and they will find some able bodies to help.

Any final paperwork needed for Health and Consent will be in their rooms. Please facilitate collecting these important documents that help to protect the Young Life mission. Name tags are in the Office and can be fetched in exchange for any incomplete documentation needed.

## **YOUNG LIFE CLUB**

Young Life Club, at every step, illustrates Jesus' declaration in John 10:10 – "I have come that they may have life, and have it to the full." It's not just the message about Jesus at the end; it's the skits, games, and music that draw them closer to Him too.

Club will be held in Sequoia, our new club room located up by the gym.

## **FACILITATING CABIN TIMES**

As a host you will lead cabin times for the guests. The Camp Director may assist with this responsibility as well. The Yacht Hosts may want to join you and we encourage you to invite the doctors if they would like to be a part of the cabin times. In order to minimize the disruption if there is a mid-week switch of Adult Guests, work together with the Camp Director and Yacht Hosts to facilitate the cabin times and still be able to include the doctors.

## **CABIN RIDES**

Guest Services will schedule Rides (swing, downhill bike park), check in with them on Day 1. The Adult Guest Host will receive a ride schedule, available in the Office after Breakfast on Day 2 and will be responsible to get their guests involved in the camp activities throughout the week. It may not be possible during 'short stay' weeks to get everybody a shot at each ride. Also, if people miss their time slot it may not be possible to re-schedule them. Post the pertinent information on the door in the Adult Guest Lounge. Adult Guests are usually scheduled at the end of the week because it is important that the campers get through all of the rides first.

If there are any questions or concerns about rides, speak with the Camp Director. Also note to half-week guests that they will not be able to do all rides. Many times this is their desire but it ends up being at the expense of the campers.

## **FREE TIME**

Adult Guests are welcome to participate in the Free Time activities. They may swim in the pool when a Lifeguard is on duty, paddle board or kayak, play Frisbee golf, go on a scheduled hike to Inspiration Point, and so much more. See what the kids are doing, and join in! Encourage the guests to participate in activities alongside campers during the free time hours listed on the schedule, as access and certified supervision is limited. Each day is full, so emphasize utilizing that scheduled free time!

## **LAUNDRY**

Unfortunately, there are no regular laundry facilities available for guests. If an unforeseen event should occur and a need for a laundry facility arises, please see our Housekeeping Staff in the Linen Nook to assist you in meeting the guest's needs.

## **ADULT GUEST CAMP TOUR**

The purpose of this tour is to give Adult Guests a glimpse "behind the scenes" at Malibu and to

walk them through the 5 Year Plan. Create a sense of adventure and help facilitate a great Malibu experience. Harold Richert (Camp Manager) and the Camp Director will arrange a camp tour.

## **ADULT GUEST AND ASSIGNED TEAM PARTY**

The Yacht Hosts head up the planning of the Adult Guest Party before you arriving at camp. This typically includes the Assigned Staff, Doctors, Adult Guest Hosts and Adult Guests, and sometimes the Camp Staff. This is a party for the Assigned Staff to mingle with the Adult Guests. This is a lot of work for the Yacht Host but a great blessing to be able to serve the Assignment Team and Adult Guests.

## **TABLEAU**

Tableau is a themed night in camp. Campers will be surprised by a “frozen” scene that includes the entire work staff and program team in a certain theme. A themed dinner or desert will follow the Tableau scene. Each program team decides the theme of their Tableau (pirates, 80’s, western, etc.). Malibu will work to communicate with you the theme of Tableau for your week as AG Host. Please be sure to communicate this theme to your guests. It is a good idea to bring extra costume pieces to help include those who don’t have something to wear.

## **CLUB MALIBU DINNER**

On the last night of the week we enjoy a special dinner with entertainment in the Dining Hall. This is an evening to wear that nice outfit you packed, but clean and casual is the general attire.

## **END OF WEEK CHANGEOVER**

Please communicate to the Camp Doctors and Adult Guests on their last evening that we’ll need their help the next morning to prepare for the incoming guests as our Work Crew need to begin cleaning the rooms.

All luggage needs to be taken to the Inner Dock before breakfast. There will be signs and Staff on the dock to assist with placement. If it is raining, there will be tarps, so please encourage guests to still take their luggage down to the dock if they are concerned about the rain. Hand luggage may be left in the Harbour House Lounges.

## **AFTER MALIBU**

### **a) Evaluations**

Upon arrival home, you and all Adult Guests will have waiting for them in their email a link to an online evaluation form for the Adult Guest Program. The evaluations help us in future planning of Malibu Activities and are routed to our Divisional Office. Please be sure to complete them as soon as possible. Prepare your Adult Guests before leaving camp to complete the form as soon as they return home. You may be asked to follow up with them after returning home if the evaluations are not submitted.

### **b) Thank you letter**

Our hope is to have this experience and week at Malibu impact our guests and encourage their involvement in Young Life in a new or deeper level. A great way to follow up with the guests is to send them each a thank you letter. If possible, facilitate introductions with appropriate staff people in their area. The Office can give you an updated contact list of the Adult Guest Program participants.

## V. MALIBU'S RESPONSIBILITIES

The Administration Office at camp will:

- ❖ Manage the Adult Guest Rooms/Selection - Host choice, first come first serve, and wait lists.
- ❖ Send out a letter of acknowledgement to each Adult Guest along with Travel Plans form, Transportation Options, and Health forms.
- ❖ Communicate with Adult Guest Hosts, Yacht Hosts, and Doctors.
- ❖ Once all positions are finalized, you will receive a list of the Adult Guests, Doctors, and Yacht Hosts that will be at camp during your stay, and you will be connected to the Camp Director via an email. Participant lists will be sent to you about once a month starting in March for you to have updated information as time goes on.

The Malibu Camp Staff partner with the assignment team in facilitating the camping ministry. See ***Malibu Club Camp Staff*** ([Appendix](#)) for a complete list of full-time and seasonal personnel and for thumbnails of Camp Staff Intern Job Descriptions.

**It is very important for you to keep the Malibu Office up to date with any changes in your guests.** If any of your guests cancel, we will fill the spot from the Wait List.

If you have any questions or require any other information please contact the Malibu Office at (778) 331-7944 or email [malibuclub@malibu.younglife.org](mailto:malibuclub@malibu.younglife.org)

## **VI. CAMP COMMUNICATIONS**

Satellite Phone: Malibu has a satellite phone line. Charges are based on minutes used. There are no long distance charges so a calling card is not necessary. We ask that you limit your phone usage to urgent matters and to calls under 5 minutes. Individuals are charged \$0.50 for each minute of the call. The phone is available during regular camp office hours. If you or your guests have an emergency matter arise when the office is closed, please contact a camp staff or the camp director for after-hours assistance.

Satellite Internet: Malibu has very limited Internet access via satellite. However, due to the costs associated with it, we ask Adult Guest Hosts to refrain from using the Internet while at camp. Please contact the Admin Manager if you have any questions or concerns.

## **XI. APPENDIX - HISTORY OF MALIBU**

Tom Hamilton was an aircraft engineer and pioneer in the field of aviation. He was involved in the beginnings of both United and Western Airlines and also owned the Beverly Hills Hotel. Much of his money came from the purchase (from a Canadian inventor) of the patent to the variable pitch propeller. The Hamilton Standard Propeller Company had a monopoly on this invention, and made millions.

During the 1930's Tom Hamilton purchased a yacht called "Malibu" that had been built in the Boeing shipyard in Vancouver, BC. Soon afterward Hamilton cruised into the Princess Louisa Inlet, and he was so taken by its beauty that he bought 10,000 acres from the BC Government at \$20.00 an acre. This included everything from sea to sky except a 46 acre parcel at Chatterbox Falls (purchased earlier by Jim MacDonald) and a 26 acre parcel at the rapids owned by a German hand logger named Herman Casper.

The original plan was to build a summer home on Hamilton Island for Mrs. Hamilton. Tom had bigger dreams and purchased the point from Herman for \$500.00. In 1940 Hamilton began building a yacht club for the wealthy upper class, particularly the Hollywood crowd. As many as 50 men were employed by Mr. Hamilton during construction. Craftsmen were brought from as far away as the Netherlands to work on the project. Although WW II caused a break in the proceedings, the project was completed in 1946, shortly after the end of the war. The end result was The Malibu Club in Canada – a world class resort for the rich and famous.

No expense was spared: silverware was embossed with a Totem and all of the crockery was custom made with Indian motifs. Blankets and towels were all embroidered with Malibu Club or Malibu Yachts. A fleet of over 50 ships and seaplanes were available up and down the Pacific Coast for charter into the Malibu Club.

Promotional artwork from the 40's show a Swiss style ski village nestled on Mt. Hamilton – who knows if this was ever seriously contemplated! It is rumoured that Hamilton wanted to dam the Princess Louisa and create a fresh water lake. He also named the peak east of Malibu, Mt. Hamilton. It has been changed back to its original name of "One Eye" and is one of 8 mountains climbed by the Beyond Malibu program.

The Malibu Club operated from 1946 until 1950. Guests could dine overlooking the rapids, dance the night away on the dance floor in Big Squawka, play a round of golf on the golf course, shop in the George Straith and Company store or swim in the inlet from the sand beach shipped in especially for the Malibu Club.

Due to a decrease in business, financial losses, problems with domestic help, legal problems and a scare of the serious disease, polio, Malibu was abandoned by Hamilton in 1950. Garbage was left in sinks, food in pots on the stoves, and beds unmade. A 115 foot yacht was left in the harbour with hatches open. It sunk over the winter, and the remains are still on the ocean floor below.

In 1953, Jim Campbell (a Young Life Committee member from Seattle) flew Jim Rayburn (founder and president of Young Life) into Malibu. Rayburn announced that Malibu would be Young Life's next camp before he even landed!

Tom Hamilton was asking \$1,000,000 for Malibu: a fantastic sum in those days. Young Life eventually acquired Malibu for \$300,000 with donations from interested people (see page 31, Young Life book).

Malibu has been operating as a Young Life resort for high school student since 1954. The first camp had 9 guests - 7 girls and 2 boys! Over the past 60 summers over 100,000 teenagers have experienced the greatest week of their lives at the Malibu Club.

Malibu currently occupies 26 acres, except for Hamburger Point, which is owned by the Sechelt Indian Band. Another 140 acres by Beyond base camp and 626 acres across the rapids, by the mill (most of the mountain facing the Louisa), and the 8 acres of Outer Dock land purchased in 2010 are also owned by YL Malibu Ministry Affiliates. All of this land, except for the 140 acres by Beyond, was part of the original purchase from Hamilton for \$300,000.

## **XII. APPENDIX - YOUNG LIFE'S STATEMENT OF FAITH**

### **Preamble**

We the members of the Young Life mission — trustees, staff, instructors at Young Life schools and volunteers — join together in our affirmation of the following articles and our central purpose of proclaiming the Gospel of Jesus Christ and introducing adolescents everywhere to Jesus Christ and helping them grow in their faith.

### **Article I**

The Scriptures of the Old and New Testaments being given by divine inspiration are the Word of God, the final and supreme authority in all matters of faith and conduct.

### **Article II**

In the Scriptures, God reveals Himself as the living and true God, Creator of all things. Perfect in love and righteous in all His ways, this one God exists eternally as a Trinity of persons: the Father, the Son and the Holy Spirit.

### **Article III**

God made man and woman in His image that He might have fellowship with us. Being estranged from God by our disobedience, we are, as sinful people, incapable of a right relationship to God apart from divine grace.

### **Article IV**

The only Mediator between God and all human beings is Jesus Christ our Lord, God's eternal Son, who as man fully shared and fulfilled our humanity in a life of perfect obedience.

### **Article V**

By His death in our place, Jesus revealed the divine love and upheld divine justice, removing our guilt and reconciling us to God. Having risen bodily from the dead and ascended into heaven, He rules as Lord over all and intercedes for us as our great high priest.

### **Article VI**

The Holy Spirit, through the proclamation of the Gospel, renews our hearts, persuading us to repent of our sins and confess Jesus as Lord. By the same Spirit, we are led to trust in divine mercy, whereby we are forgiven all our sins, justified by faith through the merit of Christ our Savior, adopted into God's family as His children and enabled so to live in the world that all people may see our good works and the Gospel of grace at work in our lives and glorify our Father who is in heaven.

### **Article VII**

God, by His Word and Spirit, calls us as sinful people into the fellowship of Christ's body. Thus He creates the one holy, catholic and apostolic church, united in the bonds of love, endowed with the gifts of the Spirit and summoned by Christ to preach the Gospel and to administer the sacraments, to carry on the ministry of reconciliation, to relieve human need and to strive for social justice.

### **Article VIII**

God's redemptive purpose will be consummated by the return of Christ to raise the dead, judge all people and establish His glorious kingdom. Those who are apart from Christ shall be eternally separated from God's presence, but the redeemed shall live and reign with Him forever.
